

Compatico, Inc. is a manufacturer and distributor of new office systems and parts. We offer five different systems:

1. Genesis
2. Compatico AO1
3. Compatico AO2
4. Compatico AO PolyPanel
5. CMW

AO1 and AO2 systems are designed to stand alone or to be interchangeable with Herman Miller® Action Office® Series 1 and 2 systems.

CMW is designed to stand alone or be interchangeable with Steelcase® Avenir® systems.

There are no patent or license infringements on our products relative to Herman Miller® or Steelcase®. Compatico is over a quarter of a century old and we are proud to have never had a problem over licensing issues. If you have any additional questions please feel free to contact us.
